# TOP GLOBAL IT SERVICE PLAYERS IN PROJECTED REVENUES

**1**

**For every country, IT Outsourcing is the leading market in terms of projected revenue. Why is the need for external contracting for IT services universal?**

**2**

**Meanwhile, for every country, IT Consulting & Implementation is the least market in terms of projected revenue. Why is consulting for IT strategies not prioritized?**

**3**

**Given the strong presence of the BPO industry in the Philippines, rationalize what the Philippines can do to revitalize its other IT Service markets to compete with global key players.**
